REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art of record do not teach or suggest, in the claimed combination thereof, an inverter transformer comprising:

a first core having a plurality of fork elements, a connection element, and a bottom element, the fork elements being parallel to each other and coupling to one side of the connection element, another side of the connection element further coupling to the bottom element; and

a second core having a plurality of fork position openings and a bottom opening, wherein when the first core is coupled to the second core, each of the fork position openings corresponds to one of the fork elements and the bottom opening corresponds to the bottom element.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to TUYEN T. NGUYEN whose telephone number is 571-272-1996. The examiner can normally be reached on M-F 8:30-6:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, ELVIN ENAD can be reached on 571-272-1990. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
